South Saskatchewan

Simmental, SimmAngus & Angus Bull Sale

Monday, March 13, 2023 - 1:00 PM

Johnstone Auction Mart - Moose Jaw, SK

FEATURING:
Curtis Simmentals • Edwards Angus • Kindred Spirit Cattle

From the desk at **T BAR...**

Welcome to the 2023 edition of the South Sask Bull Sale, Monday March 13th at the Johnstone Auction Mart, Moose Jaw, Saskatchewan. Hosted by Curtis Simmentals and Edwards Angus and new for 2023, guests, Kindred Spirit Cattle with polled Fleckvieh sons. This annual sale has been the source of quality sires for purebred breeders and the cow/calf producers.

Curtis Simmentals offers an outstanding lineup of feature sire groups with the majority homo polled. The "Betts" sons are red, deep, and soggy. Great dispositions, tons of hair, big weaning weights and optimal in frame size, these prospects will add pounds at weaning, and you will want to keep all the daughters. The "Reddington" sire group comes in red and black. Pay weight cattle with hair, muscle, and performance. In this sire group you will find some power bulls with optimal birth weights. You will find that many of these high weaning prospects stem back to "Kill Switch" daughters... maternal masters. The half blood bulls are mellow, loose hided with sleep easy birth weights. Their uniformity tells us how strong their sire groups represent.

The Kindred Spirit Cattle offer the Fullblood portion of the offering. They are polled with 5 being homo polled. You'll be impressed by the muscle and mass of these prospects... they are deep and rugged with very acceptable birth weights.

Edwards Angus are the black Angus contributors with a solid set of yearlings. Highly maternal, their prospects are sired by the proven sires in the industry. In this package you will find heifer bulls and power bulls... in any case you will want to retain their daughters.

Feel free to stop by any of the farms any time prior to the sale and preview the bulls and their mothers. Do not hesitate to give any of these leading producers a call prior the sale to discuss the bulls and those that are suitable for your breeding program.

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

Win a \$2000 Sale Credit!

Purchase a bull from any current Saskatchewan Simmental member and when the registration papers are transferred your name is entered to win a \$2000 sale credit! The draw will be made at the SSA's annual general meeting in July and the lucky winner will have one year to use the credit at any public auction or private sale on bulls or females purchased from any current SSA member.

**THE SOUTH SASK CONSIGNORS WOULD LIKE TO
RETAIN IN HERD SEMEN INTEREST ON ALL THE
BULLS IN THE SALE.**

On behalf of Curtis Simmentals we would like to welcome everyone to the 2023 South Sask Simmental, SimAngus, and Angus Bull Sale. We would like to start off by thanking everyone who attended the sale last year; including our repeat customers, bidders, and buyers as well as new customers; your continuous support is greatly appreciated. A big thank you goes out to the team at T Bar C, DLMS, Johnstone Auction Mart, as well as all the other consigners for making this day possible. Also, a huge thank you to the Curtis Simmental crew for the consistent dedication leading up to the sale and sale day. Last but not least, we would like to extend a personal thank you to our AI Tech Ron Ermel. We appreciate your continuous expertise and assisting us in expanding our genetics.

This year we have a good group of bulls on offer to fulfill all your needs, Solid Reds, Red Baldies, Solid Blacks, Black Baldies, as well as SimAngus red and black as well. The offering bulls are full of mass, meat, soundness, testicles, docile, and back by our hard working functional females right from the top of our herd. These bulls have been raised on our best grass we can offer them through the summer months then moved to the valley to graze native grass until weaning. In addition the bulls are put on a creep feed ration to get them on feed and transition them for weaning time. Since the bulls have been weaned they have been on our best quality of hay, silage bales and 5 pounds of 24:4 bull supplement and 5 pounds of brown oats for their winter months. The bulls are sired by some new genetics to our program. Sons sell from Betts, Reddington, Lawful, Red Wave, Max, 12F, Motive and Intuition. We are pleased with the offspring of these sires and are thrilled to offer new genetics to our customers.

We look forward to seeing you all sale day.

HOMO POLLED.

A true sale feature here on this Betts x Kill Switch herd sire. We can't say enough about what both Kill Switch and Betts have done for our herd in just a short time. There sons are moderate stout hairy stylish sound and have a lot of good about them, and as for the females we can't get over the job they are doing and the udder quality they have. Put these two together and they make awesome sons and females. We have several sons in the sale as well as females retained in the herd that are first calvers and I am impressed with the consistency in them. There is a lot to like about 71K from his awesome hair coat, style sound structure, big soggy middle, good testicle development, and wide top, as well as easy doing. He will be sure to catch your eye in the pen and especially sale day. His dam is one of my favourite young cows on the farm as this is only her second calf. She is a dark cherry red Kill Switch daughter with a perfect udder, real sound big middled and did a tremendous job on this guy.

A real dark cherry red hairy Betts x Kill Switch son here. He's a moderate framed, deep sided, sound structured, and very complete individual. The hair coat on 54K is exceptional and that dark dark cherry red we all strive for. 54K dam is a good producing blaze face red baldy Kill Switch daughter. She has a big barrel of a middle to her sound structure and a very good udder under her.

HOMO POLLED.

A true herd sire in the making. 24K is super long sided, deep ribbed, dark red, wide topped, with a good big hoof under him, and some added bone structure in a bit bigger frame. These Betts X Kill Switch cattle are just flat out good they are extremely easy keeping docile and have a lot of style and eye appeal to them. We now have a large number of Betts daughters in the herd milking and we have went the other way now breeding them to Kill Switch and do them calves look good at a very young age. 24K dam is a solid red very sound big middle good milking Kill Switch daughter that did a tremendous job on this guy. We also have a full sib to this guy milking in the herd with a perfect udder under her.

A real stand out and a power house bull from a young age. These Motive half blood bulls are flat out good. Heavy muscled long spinned big hipped lots of look to them hairy in lower moderate birthrights and gestation. 21K him self is a muscle machine and has matured very well. He's super long bodied, good haired, deep sided, big square hipped, very sound and will catch your eye in the pen for his over all mass. His dam did an outstanding job on this guy on her first go. She is a moderate framed red baldy first calves with a perfect udder under her. Be sure to check this guy out sale day.

Welcome to the 2023 edition of the South Sask Simmental and Angus bull sale. I would like to thank you for your interest in our program and taking the time to go through the catalogue. I am proud of the bulls I have put together for this year's sale. I think they have a lot to offer, everything from power and performance bulls, to maternal traits, to a wide variety of calving ease bulls. They have been fed a high oat and dry hay ration to promote growth and longevity. Feel free to come and have a look at the bulls anytime before the sale. If you have any questions regarding the bulls don't hesitate to give me a call. I look forward to discussing them with you to help your decision making easier for you.
 Hope to see you at the sale.

Kindred Spirit Cattle

BRIAN RICHE & ROBERT MCDOUGALL
 BOX 283, LUMSDEN, SK, S0G 3C0
 P: 306-731-3451 C: 306-638-6878

We at Kindred Spirit Cattle would like to welcome you to the 2023 South Sask Bull sale. We are very excited to be back selling with this group of excellent breeders. We've enjoyed being back to in-person sales for our females and will be glad to see everyone on sale day this spring. We breed 100% Fleckvieh and Fullblood Simmental focusing on producing performance driven polled herd sires.

We are very pleased to offer you this pen of bulls who are backed by powerful Fleckvieh cow families and the top genetics in our program. We use a combination of walking herd bulls and AI from top bulls in the industry. Our focus has always been on quality over quantity, which is why we cull hard. We are offering 9 polled Full Fleckvieh bulls, 5 of which are homo polled, who will be ready to go out and work for you. We've had some requests for 2 year olds over the last few years so we've decided to add that to our program with 2 on offer this year. We'd like to thank all our buyers, bidders and those who have expressed interest in our program over the years. Don't hesitate to reach out prior to sale day to chat or set up a viewing of the bulls. We look forward to chatting with you.

 Krypton is a stand out for sure as one of the longest bulls in the pen. His low birthweight with solid wean and yearling weights should make him a candidate for many breeding programs. He comes from a very productive cow

with excellent maternal traits who has produced only bulls, and the popular Fairview Philosophy 99E. To top it off, Krypton is homo polled making him a pretty excellent package. Buy with confidence here, as his dam has proven herself to be an excellent bull producer.

 This bull catches your eye every time you walk in the pen. He's marked up just right, and polled with solid performance and lots of hair. We purchased his dam in The Source and she has done well for us over the years, with her most recent bred heifer

selling for \$9500 this December in Manitoba. Kasper is an excellent example of the type of bull we are trying to produce and really should be on your short list come sale day. He's out of Grinalta's HP King, who we think very highly of as he also sired our proven herd bull Ezana. Kasper has loads of performance potential and should give excellent blaze faced calves while adding some power come weaning time.

Kody is the last calf out of Lassie and offers a pretty unique pedigree. He goes back to some old genetics on the maternal side with BEL Steward 2nd and our first 100% Fleckvieh brood cow "Helga 3E." Lassie did an excellent job on her last calf, raising him at 12 years of age. He's wide topped with lots of body capacity, loose made with an awesome thick, dark hair coat. We think the cross between these old genetics and Philosophy 99E was an excellent combination. He has the polled factor and carries some good weight with an attractive birthweight. This should be a fairly versatile bull.

100% FLECK • HOMO POLLED • DILUTION FREE

If you're in the market for a good haired heifer bull, keep your eyes open for Knight. He is homo polled by pedigree with his dam coming from a flush between a great homo polled donor cow and our power herd bull Glasgow. "Haven" did a solid job on her first calf here and we're very excited to see what she does with her calf this year. Again sired by the popular Philosophy 99E bull. Knight's moderate framed, good length and his low birth weight makes him the perfect candidate for calving ease. All his calves will be polled as a huge bonus out of this Full Fleck bull.

100% FLECK • HOMO POLLED • DILUTION FREE

Kili is the youngest bull in the pen, but he has really done well for himself considering his age and that he is an ET raised by a recipient cow. He comes in a more moderate package, but with plenty of muscling and middle which makes him a nice compact bull. He's dark red, has good hair and an excellent foot under him and homo polled. Kili has an excellent pedigree going back to Rugged R Bellagio, FGAF Radioactive and an outstanding Anchor D cow that we purchased a few years ago. His dam is a more moderate framed cow who raised our high selling open heifer that sold to Bonchuk Farms this December in Manitoba. This homo polled bull with moderate birthweight and frame should be on the short list for many programs on sale day.

100% FLECK • HOMO POLLED • DILUTION CARRIER

If you are looking for a low birthweight, thick made, homo polled 2 year old with outstanding pigment and great temperament to be considered for both heifers or cows, Jura would be an excellent choice. His dam was the top heifer in her pen and our favorite to be retained. Jura's pedigree is stacked, with Philosophy on the top side and a maternal side that goes back to Ultra, Eldandi and the "Razzie" cow family. He's a typical Philosophy son who is very well pigmented with lots of hair, growth and power. Every calf he sires will be polled making the options here endless.

FULL FLECK • POLLED SCURED • DILUTION CARRIER

Here is a really nice package in a 2 year old bull. Julio is polled, well-marked, with lots of hair and is a calving ease prospect with a nice moderate birth weight. His sire, Creed, is a cherry red calving ease bull that we've used on heifers. This pedigree goes back to some heavy hitters like Preemo, Appollo and Ultra. His dam is a homo polled, performance cow with an excellent udder from our donor program. There is a sturdy pedigree to back this excellent, versatile bull.

Thank you

Terms and Conditions

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES...

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

IN-HERD SEMEN...

The South Sask consignors reserve the right to collect semen on any bull sold through this sale. The semen collection will be at the South Sask consignor's expense and the buyer's convenience. Any semen collected will be for South Sask consignors in herd use only.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

We will assist in arranging transportation wherever possible. Bulls will be delivered by April 30th unless prior arrangements have been made. Delivery will be at buyer's risk and seller's convenience. Each animal becomes the risk of the purchaser as soon as sold. \$100 rebate on bulls taken home sale day. Bull must be insured by buyer.

INSURANCE...

Will be available sale day. All bulls returning back to consignor's farms must be fully insured. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.
