Classic

Angus Et Simmental Sale

Johnstone Auction Market Moose Jaw, SK - 7:00 pm

From The Desk At T Bar...

Welcome to the 8th Annual Harvest Classic Sale. As we approach this eighth sale, to say it has been an interesting year is an understatement. What I find most interesting however is the renewed priority that the city people have on sourcing their food. Today's consumer really wants to know where their food comes from and that is a good thing for Canadian beef farmers, as we can tell the most wholesome story. Beef cow numbers are low and beef sales are strong, this catalogue is full of young seed stock that can position you to take advantage of the good times ahead.

I would like to take this opportunity to thank Glen Gabel. He started this sale eight years ago and has continued to be the driving force. Even with all the health challenges he faced the last couple years he remains steadfast in his breeding program and this sale. Glen, you are an inspiration to us all.

The 2020 offering is stronger than ever and offers more variety than ever. Whether you are looking for proven cows with strong production records, bred heifers that are fresh and bred for profitability or you need a calf to show next year, we have what you need. As always we have some cool club calves available but new this year is a select group of Simmental and Simmental influence heifer calves. These heifers would be ideal for junior projects and then could be used to produce highly sought after Sim/Angus bulls.

This is a Friday evening sale, plan to come early and preview the offering and join the consignors for supper. If we at T Bar C may be of any assistance prior to or sale day feel free to reach out to anyone of us.

With tons of performance this Paintrock Trapper sired heifer has lots of style and eye appeal. During our stud tour in Billings, we selected Paintrock Trapper as an AI sire because of his extreme thickness, depth of body and overall presence. The dam is a first calver who has done an excellent job on this heifer.

Here is a heifer that comes of out of a cow that never seems to miss, and she did it again bred to President. This heifer has a hip that is great to see along with the great hair coat. If you need a female that's going to go out and not only produce them big time bulls but put out females that will help your herd thrive, look no further.

This heifer truly has brood cow written all over her. Deep sided, smooth moving, she will have a ton of capacity in the future. Her dam is steadily rising to one of our top producing cows, whether it's a herd bull or a replacement female. She does it all. Sired by the North Camp Silver Star, this heifer has a really bright future ahead of her.

If you are looking for a female that not only checks all the boxes in type and style but also has the stacked pedigree of Wall Street, Motion (Motive son) and Bank Note, here is a great heifer. With the power, depth of body and still has the neck extension to thrive for. Look no further, take a good look at this one.

Barn 001H is the result of an in-dam purchase that walked through this sale a year ago as the high selling female. Her dam was selected for her incredible length and depth, great foot, a touch of frame and added a total out cross bloodline to anything we owned. This Motive heifer will make a great female as she demonstrates the same traits as her dam. With a nice set of EPDs to boot, we think her name says it all...she's a beauty!

This is the first offering of what we feel are breeder grade females to ever leave our herd and are selected from the front end of the group. The Merit Merger 6061D line of females are making their mark at Abound. The first group calved this past spring and exceeded expectations. Every one of them did the job and did it right with perfect udders, attitude and structure. We had very challenging pasture conditions again this year as drought is still the reality here, yet this Blackbird cow family gets it done. With her granddam, dam and full sister currently working in our herd, we felt Blackbird 008H was one that we could send out to make a name for herself!

This fancy heifer will catch your eye. Nice neck extension blends back into smooth feminine shoulders. She will be a big bodied female that stands on correct feet and legs. She is in the top 40% in nine EPD categories, including Weaning Weight, Yearling Weight, Calving Ease and Maternal Calving Ease. Excellent performance in the driest year of the century with a dam that held her condition and bred back to calve in January again next year. Only the third female this cow has had and the second to make the Harvest Classic Sale. Her maternal sister went to Johnson Livestock. Parentage verified.

A beautiful example of what the Simmental breed does when crossed with Black Angus. A 3/4 blood heifer that goes back to LCHMN Bodybuilder and Soo Line Iron Man 0169 on the bottom side, so related by blood to the 33H heifer. Docility, big bellied, feminine and near perfect structure makes her a star. Her dam has an ideal udder, big foot, big bellied, excellent fertility, docility and easy keeping. On the sire side, she is out of a home raised bull by NLC Upgrade who is known for his fancy performing momma cows. His IPU Cobress 97C mother is a maternal sister to Labatte Simmentals \$92,000 high selling bull in 2019. She has greatness in her blood and looks the part.

Ms Elle 1320 is a very powerful, long, extremely attractive female. Her dam was purchased from Boss Lake Genetics after I fell in love with the "Elegant Force" cow family. Being sired by the calving ease female maker, WLE Uno Mas, Ms Elle is sure to have an extremely exciting future!

Sired by Captain Scream, who was the Grand Champion Simmental Bull at Lloydminster Stockade Roundup, Edmonton FarmFair and Canadian Western Agribition as a yearling in 2017. We were very ecstatic to be able to purchase semen from the great bull. Lucille 4720 is a thick, very deep sided female who has momma cow written all over her. She is the result of a flush between Scream and our best Black Angus Female, FCR 2C, an easy doing, smooth made, extremely fertile and attractive Black Angus female who has many great female makers in her pedigree, such as Final Answer, Leachman Right Time and Tiger!

Steer 20/01/2020

SIRE: DADDYS MONEY
DAM: FU MAN CHU BY SIMM/ANGUS

Juniors take a look at this one, he has show steer written all over him. He is big boned, hairy, clean fronted and has a nice long neck extension and is kid friendly.

Heifer 27/01/2020

SIRE: SIMM W/C UTAH 228B
DAM: ITALIAN STALLION BY SIMM/ANGUS

She has been a pen favorite from birth. Lots of hair, style and depth of rib. She will be a fun one to show and later raise some nice calves. Her dam was the 2018 Agribition Prospect Heifer Grand Champion.

Tag 15H - Lot 41

41

Tag 84H

Heifer 07/03/2020

SIRE: UNSTOPPABLE
DAM: SIMM/ANGUS

Super quiet, junior show prospect. She is a standout. Stout, lots of hair and still very feminine with a super disposition. Her dam is flawless and always gets noticed in the pen.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.
DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
